Dear Adriana,

I'm writing to thank you so very much for your very generous gifting of office furniture and other things to Melbourne Opera. We were thrilled to be offered such lovely quality furniture, which has consequently really smartened up our office. The chairs around our meeting table are all now uniform, the reception table is installed at the end of the room and the coat rack is a welcome addition in this very cold Melbourne winter. A couple of the office chairs have also been put to good use, working from home.

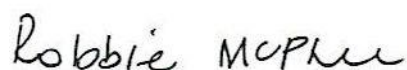

The metal shelving is fantastic, and has been taken to the opera warehouse for the important task of storing props, shoes and other things. Likewise the trolleys and step ladder – perfect for moving props, wardrobe items and files. One of the fellows who builds sets for us was most grateful for the refrigerator, and the other took the microwave.

We are so sad about the downturn in the hospitality and recruitment industry, necessitating you to close some of your offices - such a hard time for so many people.

Adriana, we would love you to be our guest (with a friend, partner, whoever you choose) at any of our operas once we are up and running again. Please do let Jane know if you will be in Melbourne at any stage, we would love you to join us, and it would be so nice to meet you.

Again, thank you so very much. You have made a lovely difference to our little not-for-profit company and we are thrilled.

Best wishes,

Robbie McPhee
